

Tusk Accessory Dash Panel

Part Number: 1925100015

TW 200

Kit Hardware:

- (1)-Tusk Dash Panel
- (4)-M8 P1.25 x 45mm Flange Hex Head Bolt
- (4)-Aluminum Spacer
- (4)-Plastic Locking Plug

Installation Instructions:

1. Remove all 4 handlebar bolts before installation. Note the positioning of the handle bars. (If needed, draw a outline of the mounts on the handle bars). **(Fig.1)**
2. Place an **Aluminum Spacer** over each of the bolt holes in the handle bar mounts. **(Fig.2)**
3. Using the **(4)-M8 P1.25 x 45mm Flange Hex Head Bolts**, secure the **Tusk Dash Panel** onto the **Aluminum Spacers** that are resting on the handlebars. **(Fig.3)**

The Tusk Accessory Dash Panel is now ready to accept optional switches or 12v receptacle!

****Periodically check for loose hardware. ****
